Dear Friends,

Welcome to the Miss Shelton State Scholarship Pageant! Your support, encouragement and attendance is greatly appreciated. The members of The Miss Shelton State Pageant Committee have worked diligently this year to bring you the best pageant ever. As one of our primary commitments each year, the College enjoys arranging and organizing the pageant as well as awarding scholarships through this project.

The Miss Shelton State Pageant is a preliminary to the Miss Alabama Pageant which in turn is a preliminary to the Miss America Pageant. These pageants are no longer mere beauty contests. Through these competitions, many young women are granted the opportunity to further their education. Over \$5,000,000 in scholarship funds are available annually to young ladies who compete at the local, state and national levels.

The citizens and businesses of Tuscaloosa County merit special thanks for having so generously given of their time and money to make this pageant happen. Their consideration and generosity allow us to offer scholarships to women throughout our community and provide our new "Miss Shelton State" the chance to compete at the Miss Alabama Pageant in June, 1997. Please accept our sincere gratitude for your support.

When looking through your program book, please pay close attention to the sponsors, local citizens, and businesses who made this pageant happen. We ask you to support the businesses and sponsors you see listed in the book. The scholarships given here tonight are only possible because of these people.

Of course, this event could not be possible if not for our beautiful, talented and dedicated contestants. We appreciate these young women competing for the title of "Miss Shelton State." Our committee wishes them success and happiness in their educational and professional careers.

Again, on behalf of the members of the Miss Shelton State Pageant Committee, thank you for your support. Now, sit back, relax and enjoy the evening!

Sincerely,
